## WHAT OUR PRESIDENTS HAVE SAID ABOUT UNIONS...

"All that serves labor serves the nation. All that harms is treason... if a man tells you he loves America, yet hates labor, he is a liar..."  
- ABRAHAM LINCOLN

"If I were a worker in a factory, the first thing I would do would join a union."  
- FRANKLIN D. ROOSEVELT

"The right to join a union of one's choice is unquestioned today, and is sanctioned and protected by law."  
- HARRY S. TRUMAN

"The American Labor Movement has consistently demonstrated its devotion to the public interest. It is, and has been, good for all America."  
- JOHN F. KENNEDY
